MESSAGE FROM THE CHAIR

Greetings ASQ Members and Friends,

April brings our Annual Section Meeting to elect officers for the 2009-2010 term. I thought this would be a good opportunity to review the Section Leadership and Election requirements found in our Section Operating Agreement (SOA). The Section Operating Agreement defines how the Scioto Valley Section (SVS) complies with the bylaws, policies, and procedures of the American Society for Quality, and how the Section is governed and operated. The Section Operating Agreement can be found on the Scioto Valley Section website at www.asqsvs.org.

Section 5.0 of the SOA defines Section Leadership; paraphrasing some of the requirements in parts 5.1 and 5.2 of that section it states that the SVS will have a Leadership Committee consisting of elected officers and Committee Chairs as defined in other parts of the document. It further defines the elected officers as the Section Chair, a Section Secretary, and a Section Treasurer, with additional elected positions as determined by the Section. The election is for a one-year term from July 1 to June 30.

Section 6.0 of the SOA defines how the election process works. Nominations for the elected positions come from the Nominating Committee and from a call for nominations from general Section membership. The call for nominations was made in the January, 2009, newsletter.

That brings us to the real point of the message; at the April 16th meeting at Grinders Coffee and Café in Chillicothe we will conduct the election of officers as described in the SOA. The proposed slate of officers is as follows:

The Scioto Valley Voice

Bob Ervin, Chair (Progression from elected position of Chair Elect)
Andrea Davis, Chair Elect
Mark Cade, 1st Vice Chair
Rob Christensen, 2nd Vice Chair
Chad Rausch, 3rd Vice Chair
Julie Puckett, Treasurer
Connie Lang, Secretary

We look forward to a great membership turnout to support the election process. Additional nominations will be accepted from the floor. The nomination must be accepted by the nominee and accompanied by a petition signed by at least ten members in good standing, per the SOA.

If you are unable to attend the meeting you can still vote electronically by e-mailing Dan Longpre at longpred@tpmcllc.com. Dan is our Nominating Chair and has done a great job in assembling our slate of candidates.

Thanks, and hope to see you on the 16th.

John Hobensack, CQA, Scioto Valley Section Chair, 2008-2009

CERTIFICATION PREPARATION – A MESSAGE FROM THE CERTIFICATION CHAIR

Certification is formal recognition by ASQ that an individual has demonstrated proficiency within, and a comprehension of, a specified body of knowledge. It is peer recognition, not registration or licensure. Certification demonstrates that the certified individual has the knowledge to assure quality of products and services. Certification: 1) Is a mark of excellence; and 2) Is an investment in your career and in the future of your employer. Studying for the one of the ASQ Examination allows the individual to gain new skills and upgrade their proficiency. Maintaining your certification secures the investment you've already made in your career.

The following link on the ASQNet.org web page provides valuable information on resources to help you prepare for the various certifications that ASQ offers:
